Wait List

By filling out this form, you are asking that Bayshore contact you should an opening become available or for early registration for the following year. It does not obligate you in any way to sign up for school should a position become available. Similarly, this form does not obligate Bayshore to hold a position open for your child. A separate enrollment packet will be provided should a position become available. There is no fee for joining the wait list. Please DO stop by and visit with your child for a visit! We hope to see you here.
